Respected Tibetans,

Tashi Delek!

Stichting Khorlo is a nongovernmental organization; the main goal of Stichting Khorlo is to help Tibetans, who live in Holland and to solve all the problems what Tibetans come across. Stichting Khorlo has not only solved so many problems of Tibetans. But also they have helped Tibetan family reunions and couples reunions successfully for the last five years. So far the result has been fruitful.

Therefore we would like to offer you a decent help. No matter what kind of problem it is! We want to try with our best. Please contact us! You are the most welcome!

The main purpose of sending this message this time is to let all of Tibetans to know that the number of Tibetans, who has been facing troubles in getting refugee status of Dutch, is getting more and more. This is a serious matter. Since it is related to the issue of political problems of Tibet, therefore Stichting Khorlo has been trying to contact with the Dutch Government about this matter as well as other problems of Tibetan refugees in Holland. Tibetans should be united and should support Stichting Khorlo for this matter for making it stronger case after all.

P.S Stichting Khorlo is going to organize a big action for the benefit of all Tibetan in Nederland in this autumn. You will be informed via Khorlo website ([www.stichtingkhorlo.nl](http://www.stichtingkhorlo.nl)). Please you should be kept aware of this information!

May H.H. the Dalai Lama live long! May Tibetans get its truth of independent!
